Old Business

- Minutes from the May meeting were read and accepted.

New Business

Officer and Committee Reports:

- **Common Grounds:** Repaving walkways will begin as soon as school is out. The company is ready to begin. Overlay for driveways – The company will need to contact each individual...approximately 18 homeowners interested. \$6.00 a linear foot. Bruce Thornberry has the quote, information, etc.

Cindy advised she viewed the common grounds just off Spring Ridge/Trail Ridge court(s). The areas are full of ruts from the Dominion work from Dominion and it's contractors. Jon Drever advised that Dominion was supposed to repair any problems they left.

Received an email regarding a tree down in our common area. After investigation, it was found to be Cardinal Glen's area.

Raccoons and deer in the region are wondering around the community.

Mowing contract expires October/November time frame.

- **ARC Submissions:** ARC approved Cindy Cardimon's yard fence. This is the concept discussed at last meeting where the approvals/disapprovals would be discussed/decided at the board meetings instead of among some board members. This allows the individuals to be at the meeting to discuss/explain requests.

Tom picked up the box of board files, which were being held by the last ARC chairperson. Tom requested a copy of By-laws. Bruce has the original map.
